

PRODUCT INFORMATION

Parts Master High Mileage Motor Oil

Description

Parts Master High Mileage Motor Oil is formulated with advanced additive technology and highly refined, premium quality basestocks to help improve performance in older engines. **Parts Master High Mileage** is recommended for use in vehicles with 75,000 miles or more.

Parts Master High Mileage Motor Oil is approved and licensed for the newly adopted API SP classification, protecting GDI (Gasoline Direct Injection) engines from low-speed pre-ignition (LSPI).

Parts Master High Mileage Motor Oil Advantages:

- Conditions engine seals to help prevent leaks
- High quality base oils to help minimize oil consumption
